Solaiemes at IRC Brokerage at 3GSM Congress (12-15/2/07) Barcelona. 16/2/07.

Barcelona. Solaiemes joined the IRC Brokerage Event at 3GSM Congress. Organized by IRC (Innovation Relay Centres Network), the brokerage event took place at Catalanian Pavilion where start-up's, distributors, carriers, and technology requesters could set up meetings and introduce themselves and their offers/need. Solaiemes participated in more than 20 meetings including potential customers (carriers, banks, distributors, marketing firms) and potential technology providers to expand our portfolio of offered features in our products/solutions.

Solaiemes would thank IRC for the good organization of the event and the opportunity given. Currently Solaiemes is registered at IRC Madrid.
