

Solaiemes named Premio Vivero Finalist.

Madrid. 12/01/2009. Solaiemes has been awarded as finalist at Premio Vivero Awards. Premio Vivero, organized by FUNDETEC and SIMO Trade Show tries to highlight innovative projects by start-ups. All finalist and other pre-selected projects are invited to exhibit free-of-cost at SIMO event. The Award Ceremony took place, 12/january at Hotel Las Letras in Madrid Centre with several authorities from Madrid Council, Fundetec & SIMO and with media coverage from traditional media and online new journalists and bloggers. Solaiemes selected project was LiveServe, our innovative video broadcasting technology to distribute real time, video from mobile to internet sites with wide range of use cases as online journalism, emergencies, law reinforcement, personal videoblogging, ERP task reporting, etc.

"We congratulate the winner, Incarsoft, and the other 2 finalists, Balzac TV and e-Quantum and we considered a honour to be together at final decision round. Also Solaiemes wants to thank this initiative of offering exhibition booth, very useful for young companies".

About Solaiemes.

Solaiemes is a mobility-focused technology company; with a value proposition strongly focused on creating innovative, new use cases for mobility, and

increasing usability on the mobile side. Solaiemes leads the way in monetizing and getting the most from current data networks and mid-tier handsets, generating value for MNOs, enterprises, service providers and Web 2.0 communities. With Solaiemes technology concepts as m-CRM (customer relationship management), m-ERP (Enterprise Resource Planning), and m-UGG (user generated content in WEB 2.0) finally become feasible.
